The Gymnastics Center of Chattanooga and the Ooltewah Swim Center proudly bring you the 2010 summer camp program. Our summer camp gets bigger and better each year. The goal of our summer camp is to provide children with a FUN, ACTIVE, and ENGAGING summer camp experience. The children will participate in gymnastics and swimming on a daily basis. Each week we will also have guests from the Chattanooga Nature Center, Children's Discovery Museum, Kidz Art, Greg Roy's Tae-Kwon-Do, and Ooltewah Nursery Kids Garden. Each day is packed with many fun-filled activities.
